## SIERRA FROZEN CUSTARD

Sierra Energy's Frozen Custard is a dense, creamy, smooth and delicious frozen dessert that melts in your mouth!

### Frozen Custard

Spun fresh daily using the highest quality ingredients.

Your choice of vanilla or chocolate

12 oz **\$3.49**      16 oz **\$4.49**

### WHAT'S FROZEN CUSTARD?

While both ice cream and frozen custard are made with milk, cream and sugar, our frozen custard uses pasteurized egg yolk and 10% milkfat to create a creamier, denser dessert. In addition, the machine we use to blend our custard compresses out most of the air, making it thick, rich and delicious!
