

COVID-19 Workplace Exposure Reporting

To ensure the health and safety of employers, employees, and community members, businesses and activities must immediately report any confirmed cases of COVID-19 to Tuolumne County Public Health.

Tuolumne County Public Health Requires ALL Businesses to take the following actions

1. FOLLOW

FOLLOW California COVID-19 Industry Guidance for clear recommendations and tasks to prepare your businesses. A summary of this process and web links are located here:
<https://www.tcdisasterassistance.com/business-reopening-summary>

2. REPORT

REPORT confirmed COVID-19 cases to Tuolumne County Public Health by calling **(209) 533-7401**.

Provide your business name and address, a point of contact name, phone number, and a brief situational update (ex. employee reports a positive COVID-19 test result, include information about additional staff reporting symptoms, even if they don't have confirmed test results yet.)

3. PREPARE

PREPARE for Public Health to call. You can also prepare by:

Identifying close contacts (those within 6 feet for 10 minutes or more) of an infected employee.

Taking steps to reduce the spread of illness, having sick employees isolate at home and if possible isolating close contacts if they are still at work.
